

Michigan State University College of Human Medicine - Fact Sheet

Michigan State University College of Human Medicine (MSU-CHM) and Aquinas College agree to establish a cooperative program of premedical/medical education by which premedical students at Aquinas College shall be granted an early assurance of admission to MSU-CHM through the Early Assurance Program.

The Early Assurance Program (hereinafter, "Program") provides an enhanced opportunity for admission to medical school to Aquinas College premedical students who are interested in practicing in an underserved area of medicine. Preference for admission to the Program will be given to those who otherwise might not have access to or be familiar with the intricacies of premedical preparation and medical school application by virtue of being a first generation college student, graduating from a low income high school as defined by the United States Department of Education, being eligible or a recipient of an undergraduate PELL grant, graduating from an underserved (health professional shortage) urban or rural area, or demonstrating interest in a high need medical specialty area. By identifying and developing such students, Aquinas College will make a substantial contribution to the
